## FULL-TIME SENIOR MINISTER, ORANGE PRESBYTERIAN CHURCH

---

Start from late 2023 - early 2024

[www.orangepresbyterian.org.au](http://www.orangepresbyterian.org.au)

**Orange Presbyterian Church** is seeking to call a full-time pastor to join our ministry team in leading and shepherding our growing church community, who will be succeeding the current long-term pastor and will have a pastoral focus over our 10am congregation.

Our staff team currently consists of two full-time ministers (Minister and Colleague to the Minister), a second year METRO Apprentice (full-time) and an Admin Assistant (part-time) who serve along our Elders and Deacons.

Orange Presbyterian Church is a growing community made up of everyday people who are active in many aspects of the Orange community. It is our desire to be a Christ-centred community of people who are growing in maturity through the power of the gospel and being equipped for loving service of God, one another, the wider Orange community and the rest of the world. Our church community meets at 10am and 4pm each Sunday.

We are seeking expressions of interest from, preferably, an experienced Pastor who has a passion to continue to build this congregation of God's people through prayer, preaching, pastoral care and missional engagement.
