

DUBBO PRESBYTERIAN CHURCH

Growing followers of Christ Jesus

Position	Ministry Team Member
Reports to:	DPC Senior staff team
Duration:	3 years (Starting January 2024 with a 12 month review)
Remuneration	Starting at 85% of Full Stipend of Presbyterian Minister including non-tax benefit, superannuation and travel allowance.

Do you have a passion for evangelism, helping welcome new people to church, maturing Christians, training others, youth ministry or leading teams?

Dubbo Presbyterian Church currently has 3 full time ministry leaders and we would like a passionate Christ-centred man or woman to join our team as a 4th full time ministry leader. We are transitioning from a 'congregational pastor' model of church to a model where the staff have responsibility over certain ministry areas of our church family including Maturity, Mission, Ministry, Magnification and Membership. Ideally this person would head up one or more of these ministry areas and/or our youth ministry. This position could suit someone just graduating from Bible College, a high capacity person with leadership and organisation skills, or a person with ministry experience who is willing to work as part of a team. We are looking to shape the responsibilities of the role around the gifts of the person and then re-shape our existing staff roles around that.

Dubbo Presbyterian Church has a unique team environment with a very collaborative team and a high level of trust. We do not have a senior minister. The staff team works together and reports to the session (elders) of the church. We are excited about the next few years as we seek to grow followers of Jesus and are praying for the right person to join our team.

For more details ring Wayne on 0438 960034
