

PASTORAL ASSISTANT - Families

At Hurstville Presbyterian Church we are:

- evangelical by conviction
- international by intention
- a training church by ambition

We are looking for a **part time pastoral assistant**, who will help us as a congregation to disciple children, youth and their parents.

Are you:

- demonstrating Christian maturity with a zeal for the gospel,
- committed to the doctrines of the PCA,
- willing to be part of the team at Hurstville PC

This could be a ministry that you take on while completing your theological studies (we are less than half an hour from Christ College). Applications are open to both males and females. The position would be paid according to the rates set by the Ministry and Mission Committee, and the position is subject to the relevant approvals and processes.

For more information, please contact:
